Dear Ambassador Bush:

Thank you for taking the time on Tuesday to talk with the Senior Seminar. We were delighted that you could share the experience of the first ninety days of your tenure as DCI and your views of the problems facing the intelligence community. I appreciate too your candid responses to the group's questions.

Earlier on Tuesday, as you know, CIA provided the Seminar a number of valuable briefings on certain collection and analysis activities. I am asking Harry Fitzwater to convey our thanks to those who spoke to us.

Sincerely,

Ambassador Christopher Van Hollen
Coordinator
